

# TRAVELLING WITH AN ASSIST DOG

We take all assistance dogs on board our buses, including hearing dogs, seeing dogs, dogs for epilepsy and other medical conditions. Please carry the appropriate identification cards from recognised organisations with you when you travel. The driver may ask for this upon you boarding the bus.

## TOTAL MOBILITY

Total Mobility is a door to door national transport scheme involving disability support agencies, taxi companies and local government.

**The scheme provides up to 50 per cent discount** on taxi fares up to a maximum subsidy for eligible participants.

In the Waikato region, the scheme is open to people living within the city or town boundaries of Hamilton, Tokoroa or within the defined Total Mobility zone as specified by Taupo District Council.

To find out if you are eligible, contact a Total Mobility agency to book in an eligibility assessment. A list of these agencies is available on [www.busit.co.nz](http://www.busit.co.nz)

### CONTACT US

Our friendly team at the Transport Centre is available at the BUSIT counter from 8 am until 4.30 pm Monday to Friday to help you with your journey. Our Call Centre is available 24 hours a day, 7 days a week.

## BUSES

Our buses are fully accessible, with:

- Ramp access for passengers, wheelchairs and baby buggies.
- The ability to lower the bus suspension and 'kneel' close to the kerb, providing step-free access.
- Specific wheelchair seating area(s). Wheelchair passengers take priority in these areas. Walkers and baby buggies must be folded or removed

from this space if a wheelchair passenger boards the bus.

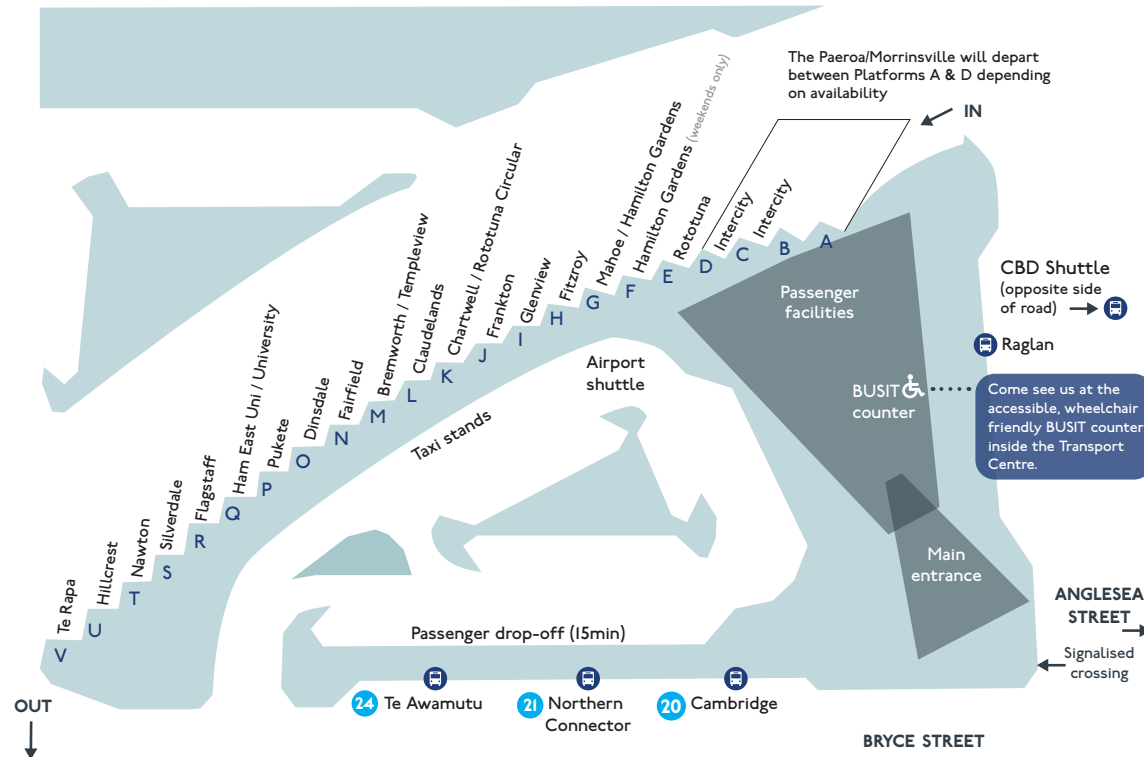

- For those who are visually or hearing impaired, the Orbiter has audio and visual systems which announce the next bus stop.

Wheelchairs must be under 250kg in weight and 80cm in width to travel on the bus.

Mobility scooters are not permitted on buses.
